Dear Debbie:

On behalf of the State Bar of Arizona, thank you for speaking at the *Mentor Circle* forum on behalf of the AZBar Mentor Connection Program at the 2021 Convention.

And we are so thankful that you pivoted to a virtual Convention this year. We know it had some uncertainties and challenges, yet you presented valuable content to our members. We had more than 1,000 attendees at the virtual Convention this year, and quality programs are one of the main attractions of the Convention. We consistently heard wonderful comments about the variety and quality of the seminars.

Thanks again for your hard work for the State Bar of Arizona and the 88th Annual Convention!

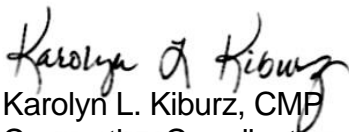

Sincerely,

Hon. Colleen McNally
